## SUMMARY

I am a final year student at Nanyang Polytechnic with a diploma in Business Informatics seeking to leverage my technical and professional expertise to grow professionally as a developer. Knowledgeable in both front-end and back-end technologies. Able to perform wireframing to production.

## EXPERIENCE

### Nanyang Polytechnic

#### *Full Stack Development (internship)*

*Jul. 2020 - Sept. 2020*

- Because of the pandemic, the school has arranged for me a final year project as my internship
- Created and maintained a web application with both back-end and front-end technologies.
- Developed a chatbot and Learning Management System (LMS) with full content management system.
- Developed using Python, framework and various libraries.

#### *Classification Automation (final year project 1)*

*Mar. 2020 - May. 2020*

- Helped to discover and eliminate problems by gathering requirements and implementing process automation for Nanyang Polytechnic i@Central.
- Created a program that categorises with machine learning and sorts email with automation.
- Developed using UiPath, Python and various libraries.

## PROJECTS

### *Data Analysis*

*Feb. 2020 (1 month)*

- Researched, documented and performed data analysis.
- Performed data analysis on the performance of airline industry due to global pandemic.
- Developed using Python and various data science libraries.

### *Full Stack Development*

*Feb. 2020 (1 month)*

- Developed web application that allows you to create a personalised and easily-customizable page, that houses all the important links you want to share with your audience. It can be used on social platforms.
- Developed using Python, frameworks and various libraries.

## AWARDS/CERTIFICATIONS

### Nanyang Polytechnic - School of Information Technology

#### *Director's List Recipient - Multiple semesters*

*2018 - 2020*

Top students who excel academically in the semester in a full-time diploma are placed on the Director's List. To be eligible, you must be in the top 15% of your cohort for the semester.
